

# Taking Your Digital Photography to the Next Level: *PART THREE*

## LEARN ADOBE LIGHTROOM 2 AND CREATE A PROFESSIONAL WORKFLOW FROM BEGINNING TO END

### *In this workshop you will learn:*

- How to capture the most consistent exposures possible
  - File management, backup options and file type selection.
  - Brief overview of monitor calibration
  - General layout and system of Light Room.
  - Must know tools and how to use them in LR
  - How to apply your editing system knowledge to working in this software
  - Hands-on practice editing a batch of files from beginning to end
  - Using Photoshop CS or Elements in conjunction with Light Room
- ... and much more*

## Workshop Details

**Date:** Friday, February 12th

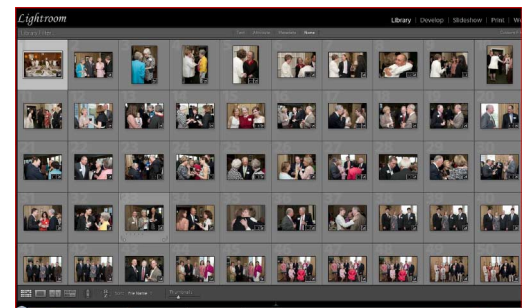

**Time:** 9:00 - 4:30pm

**Location:** Hampton Inn - Pineville  
(See map below)

**Cost:** \$149 (includes lunch)

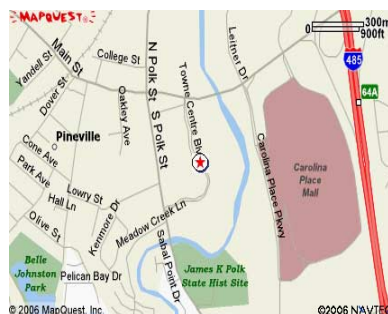

**Registration Process:** Mail a deposit check for \$50 to the address below and then pay the remaining \$99 at the door that day or pay online at [www.osbornephoto.net](http://www.osbornephoto.net) on the All-Day Workshop Page

This workshop will help you to become comfortable working in Adobe Light Room or similar software. Bring your laptop (rentals are available \$25) with Light Room loaded or with the 30 day trial of the software.

### **Location:**

Hampton Inn  
401 Towne Center Blvd  
Pineville, NC  
704-889-2700
